

STUDENT TIPS

FOR **SUCCESSFUL** GOOGLE MEET CALLS !

1

Check in with your teacher & have materials ready!

2

Be on time. Check in thru the chat when you arrive.

3

Stay engaged - nod, give thumbs up, add to conversation, take notes.

4

Mute your mic when you are not speaking.

5

Use the chat or raise your hand to share your ideas!

6

Wait for your teacher to call on you or to unmute your mic.

7

Take notes in the Google doc or paper for reference later.

8

Keep your camera on, look into the camera, not the screen.
